

DEAR CUSTOMER, THESE ARE THE TYPES OF QUESTIONS YOU MAY BE ASKED IN ORDER TO DISCUSS SUITABLE PLANTS FOR YOUR GARDEN OR REVEGETATION PROJECT

1. SOIL TYPE (beach sand, clay, loam etc)

.....
.....

2. NATURAL VEGETATION CLOSE BY (eg. rainforest, open forest etc)

.....
.....

3. IS IT A WINDY SITE?

.....
.....

4. ANY VIEWS YOU WANT TO KEEP? (if so, how high can the plants grow in this section so you can still see over them?)

.....
.....

5. IS YOUR BLOCK FLAT OR SLOPING? (HOW STEEP?)

.....
.....

6. HOW HIGH IS YOUR HOUSE? (single/double storey)

.....
.....

7. ANY POWERLINES THAT AFFECT YOUR PLANTINGS? (if so, how high are they?)

.....
.....

8. WHAT ABOUT SEPTIC TRENCHES? SWIMMING POOL?

.....
.....

9. WHAT DIRECTION IS NORTH?

.....
.....

10. WHAT IS NEXT DOOR?

.....
.....

11. WHAT IS THE PURPOSE OF YOUR PLANTING? (screen out the neighbours, windbreak, cast shade etc)

.....
.....

Unless you say otherwise, we usually assume that you will want variety, to attract birds and butterflies and an aesthetic appearance.
